The Program

A customized program to fit your educational needs.

This innovative French learning program focuses on individual needs and helps you attain quick results. At the end of the program your French language skills and your confidence will have significantly improved.

The Université de Moncton has been offering programs in French as a second language to various age groups across North America for well over thirty years. This program is designed specifically for 14 to 16-year old students who want to learn French in a fun and engaging environment so that they can interact in everyday social situations that require them to speak French better.

What to Expect

*Have fun this summer! Learn French!
Explore new places! Make new friends!*

This program focuses on developing language skills in the areas of listening, speaking, reading and writing. You will feel more confident as you move to more and more complex grammar and vocabulary.

Oral communication plays a vital role in the classroom, workshops, and during socio-cultural activities. The classroom setting will provide you with lots of opportunities to interact and share your opinion on various topics.

What will a typical day look like?

Mornings	Classroom instruction, group discussions and activities in a fun and engaging environment
Afternoons	Socio-cultural activities and workshops with dynamic monitors
Evenings	Socio-cultural activities such as theatre, music, movies and much more
Weekends	Trips to various top attractions in New Brunswick such as Hopewell Cape, Parlee Beach, le Pays de la Sagouine and much more!

Linguistic Competency

You will complete a placement test upon your arrival to ensure that you are correctly placed in the right competency level.

Intensive French (Beginner, Intermediate and Advanced)

Development of the student's second language skills will be the key focus. Students will learn how to read, speak, and write French, with an emphasis on oral communication.

Immersion French (Intermediate and Advanced)

In this program, students further develop the French language skills they already have. Students will learn how to speak, and write in French with occasional reading activities.

In order to fully benefit from this program, you are expected to communicate exclusively in French during your stay.

Top Ten Reasons to Attend this Program

Top quality instruction and innovative approaches in the teaching of a second language make this program one of the best in Canada.

Improving your French language skills with this program will provide you with a wide range of opportunities such as:

- The ability to understand and speak French when traveling;
- Making new friends;
- Communicating better within a French social context;
- Discovering a vibrant region this summer;
- Offering you new education options;
- Enhancing your cultural understanding by opening your world to new possibilities of communicating with others;
- Allowing you to better enjoy movies, literature and music;
- Increasing your understanding of our Acadian roots;
- Creating the best possible future for yourself by learning a second language;

Where you will stay

Greater Moncton is a vibrant city full of very fun activities for you to do.

All students will stay in modern university residences on campus within close walking distance to their classrooms and cafeteria.

Take a virtual tour of our housing facilities by visiting:

www.umoncton.ca/umcm-logement.

The Greater Moncton area is one of the fastest growing areas in Canada with a population of 140,000, one-third of whom are Francophones. It is located in New Brunswick in the eastern part of Canada.

You will find long stretches of sandy beaches with the warmest waters north of Virginia within 20 minutes of downtown Moncton. There are also many unique attractions nearby such as le Pays de la Sagouine, le Village Historique Acadien in Caraquet, the Rocks at Hopewell Cape and the Bay of Fundy, one of the Marine Wonders of the World, to name just a few.

The university has a large sports complex on its Moncton campus. You can enjoy activities such as swimming, badminton, tennis, racquetball, squash, volleyball, basketball or the indoor track and weights and exercise room.
