MODERN-DAY MANAGEMENT

PART-TIME TRAINING PROGRAM

ACQUIRE MANAGEMENT TOOLS THAT WILL BENEFIT YOU THROUGHOUT YOUR CAREER!

The Modern-Day Management training program is composed of 9 workshops distributed over 10 days of training covering topics that will allow you to become a more effective manager. The learning activities will give you the opportunity to refine essential leadership competencies and to develop skills that will enrich your professional life.

THIS TRAINING PROGRAM IS DESIGNED FOR:

- Entrepreneurs
- Middle managers
- Team leaders
- Supervisors
- Anyone who aspires to a management position

"I thoroughly enjoyed everything about the MDM program! The instructors are highly skilled and made the learning environment very comfortable and relaxed. I was able to leave each session with new ideas and concepts to implement into my workplace and was introduced to numerous creative and innovate tools to deal with real life management situations. This program is a definite must for all levels of management."

Angela Sturgeon, CPHR
Human Resources Manager, Imperial Manufacturing Group

"Every module was great, in the way that not only did the instructors teach it in a fun learning environment, but we were able to interact and hear different scenarios from other managers that we could relate to and learn from."

Allen Doiron, Branch Manager, Consolidated Fastfrate
