## PARENTS/GUARDIANS OF PARTICIPANTS TO THE EXPLORE JEUNESSE PROGRAM (13-15 YEARS)

Dear Parents, guardians,

As you know, your daughter or your son will participate in the Explore Jeunesse (13-15 years) organized by the Continuing Education of Moncton University, Campus of Moncton, which will take place from July 21 till August 9, 2019.

You will find below a form of consent that you must signed.

The program includes mandatory courses, workshops and socio-cultural activities (spectacles, outings, conferences, sporting activities, etc.) for all participants. Instructors ensure the supervision of the students during these activities.

The program may include periods of time during the week and weekends when students are available. Students must inform instructors of their moving. We wish to inform you that no supervision is performed during these periods and that participants are free to leave the campus. However, they must return on the campus as per the Instructor Agreement prior to departure

Students will be hosted in the Lefebvre residence, located on the campus. Please note that participants are free to travel without supervision, on foot, by bicycle or by car, between their accommodation site and the campus

Program regulations formally prohibit the consumption of alcoholic beverages throughout the program, both on campus and outside campus

As regards the free time periods of the participants, the students must respect the laws relating to persons of minor age and notwithstanding the fact that no supervision is carried out during this free time, the staff of the program will notify the parents in the event that they realize a minor age participant violates any of these laws. In such a situation, the participant may be liable to return.

Each Sunday, the participants are free between the hours of 10 am and 7pm. No supervision is carried out during this free time. Participants are therefore free to leave the campus and go to the city

The program managers and the staff involved have put a lot of effort into ensuring the safety of the participants and minimizing the risk of injury or other damage. However, there is always the possibility of injury given the nature of the clientele served. You must understand that under the circumstances, the University cannot assume responsibility for the losses or damages suffered by the participants.

That is why we ask you to sign the form below. In doing so, you assume full responsibility for the participation of your young person and thus release all responsibility the Moncton University and those involved in the activities of the Explore Jeunesse program (13-15 years)

Dany Benoit Director of Academic Development Continuing Education – Université de Moncton
