

UNIVERSITÉ DE MONCTON
EDMUNDSTON MONCTON SHIPPAGAN

2026-27

Set yourself up for success

by Perfecting Your Second Language

A Smart Choice for French Immersion Students

You can give your French skills a powerful boost by continuing your post-secondary studies in French. Many Anglophone students have risen to the challenge at Université de Moncton and the results speak for themselves.

In the heart of a bilingual city, UMoncton is the ideal place to perfect your second language while receiving a quality post-secondary education. UMoncton offers a wide range of programs in an environment where you get to know and interact closely with professors of the highest calibre.

Groupe-Pont Your Bridge to Becoming Fluently Bilingual

You can apply for admission to the undergraduate program of your choice at UMoncton. As soon as you start classes, and for the entirety of your degree, you will be part of our French Immersion bridge program, the “Groupe-Pont”. Built to help students make the transition to a completely Francophone university, it offers many perks, including tons of academic support, that will help you succeed in your studies at UMoncton.

The opportunity to fully immerse yourself into the French culture and language by taking part in campus life alongside native-speaking students will also contribute to your success.

As a result, you will perfect your French, becoming fully bilingual.

www.umoncton.ca/french-immersion

The many advantages of the *Groupe-Pont*

- **Four exclusive French courses**
 - Grammar and Writing (FLSA 1401)
 - Advanced Grammar (FLSA 1402)
 - Oral French (FLSA 1500)
 - Advanced Writing (FLSA 1600)
- **Free French tutoring**
- **Free revision of your written work** for the entire duration of your program
- **Free access to French cultural activities** upon request
- **Option to complete projects or exams in English** during your first year
- **An exclusive study room** for Groupe-Pont students
- **A dedicated student council** representing all Groupe-Pont students.

Minor In French as a Second Language

This minor is exclusive to students from French Immersion programs. It is a frequent choice for secondary education students who are looking to teach in schools that offer French Immersion programs.

Meet Isabelle Bujold, Your Groupe-Pont Coordinator

Isabelle will become a valuable resource throughout your studies at UMoncton. From helping with correction of your written work, to coordinating academic support resources, including tutoring, her door is always open to our Groupe-Pont students.

If you are a graduate from a Canadian French Immersion program, you are not required to take a French proficiency test, as we believe that you have all the necessary tools to succeed, in accompaniment with our added support.

Not in a French Immersion program? To be admitted to the Groupe-Pont program, your French speaking and comprehension skills need to be evaluated. During your required meeting, Isabelle will perform this assessment. In a brief 15-minute conversation, she will assess your oral French skills and tell you if you are a suitable candidate.

For those wishing to bypass the Groupe-Pont program, a written evaluation is required.

Contact Isabelle Bujold: (506) 858-4000 ext 4305 | isabelle.bujold@umoncton.ca

Always Something To Do

Student life

There's always something to do here. Every day of the week there are activities on campus, many created by students for students. Catch a show, join a trivia night, get creative, compete in e-sports, or simply relax between classes. UMoncton's student life offers plenty of opportunities to have fun, express yourself, and meet new people.

The city is also filled to the brim with recreational, cultural and culinary experiences for you to enjoy.

Sports & Recreation

If staying active is what you're looking for, UMoncton has you covered. Featuring a first-rate sports and fitness facility at the CEPS Louis-J.-Robichaud, a world-class outdoor stadium, and an extensive Sports and Recreation Service (SAR), you'll have no shortage of ways to stay active.

Activities available include:

- Aerobics
- Badminton
- Basketball
- Boxing
- Bootcamp
- Cardio Kickboxing
- Co-ed Volleyball
- Dance
- Ice Hockey
- Indoor Co-ed Soccer
- Open Basketball
- Open Volleyball
- Pickleball
- Pilates
- Racquetball
- Running Club
- SoulBody Barre
- Spinning
- Swimming
- Swimming Lessons
- Tap Dancing Lessons
- Tennis
- Ultimate Frisbee
- Weight Training
- Yoga
- Zumba

Come Cheer On *Les Aigles!*

Our students get FREE admission to every on-campus Aigles Bleues and Aigles Bleus sporting event.

- Cross-country
- Men's and women's hockey
- Men's and women's soccer
- Track and field
- Women's volleyball

Study Differently – the UMoncton Way

At the Université de Moncton, learning doesn't just happen within the four walls of a classroom. Whether through internships, hands-on experiences related to your field of study, international exchanges, or leadership training, you'll have countless opportunities to challenge yourself and discover what you're passionate about.

Frank McKenna – aUMni Centre for Leadership

Starting in your first year, you can take part in training sessions and workshops on leadership, social innovation, and civic engagement, led by well-known figures. By actively getting involved in the project, you could even earn a \$1,000 scholarship.

Co-op Programs (CO-OP)

Alternating between courses and paid internships in your field of study is a winning formula. The result: you'll graduate with a full year of professional experience, even before starting your first job. *To see which programs offer the co-op option, see the table on page 8.*

Student Mobility

Study for a semester or a full year in more than twenty countries where we have partner universities, such as France, Tunisia, South Korea, and Mexico. An adventure that broadens your horizons and enriches both your academic and personal journey.

Study Medicine at UMoncton

An undergraduate medical (M.D.) program is offered on campus by the *Centre de formation médicale du Nouveau-Brunswick* in partnership with the Université de Sherbrooke. Each year 28 seats are available to NB students, 3 for NS students and 1 for PEI students. French Immersion candidates are eligible for these seats. Your degree will be granted by the Université de Sherbrooke in Quebec through its delocalized program.

As a fast-track towards this program, UMoncton offers a two-year **Health Sciences Diploma (Pre-Med)** program — a degree held by the majority of medical students at the CFMNB.

CAMPUS HOUSING

Welcome to Your *Chez-Toi*!

UMoncton offers you current and trendy residences, designed according to your needs. Much more than just housing, our residences are, above all, welcoming living environments that will allow you to flourish both academically and socially.

Explore all housing options, see what's included, and submit your housing application:

Candidates from other provinces and countries must have received an education that is judged to be equivalent by the Admission Committee. Courses judged to be equivalent to those indicated will be considered for admission. In certain cases, the Admission Committee may consider a student who does not meet the usual language admission requirement (grade 12 French language course). French training may be specified as a requirement for undertaking studies at UMoncton.

Recognition of International Baccalaureate and Advanced Placement courses: UMoncton values the high standards of International Baccalaureate (IB) and Advanced Placement (AP) courses. Credits will be given for higher level courses deemed to be the equivalent of courses offered at UMoncton when the student's mark is 4/7 or higher on the IB exam or 3/5 or higher on the AP exam.

If a candidate does not meet the admission requirements but would like to explore how to become admissible, please contact us to see if accommodations can be made: Nicholas Berry - 506-233-0168 | nicholas.berry@umoncton.ca

SCHOLARSHIP PROGRAM

Automatic Scholarships

These scholarships will automatically be offered to any applicant who meets the eligibility criteria. Some of these scholarships are offered exclusively to French Immersion students. Be sure to read the eligibility criteria carefully.

French as a Second Language Immersion Recruitment Scholarships

up to \$7,000

Automatic | Renewable | Immersion Exclusive

100 scholarships – \$3,000 for the first year, renewable at \$1,000 per year for the standard duration of your program.

- Graduate from an Anglophone high school.

Academic Distinction Scholarships

up to \$20,000

Automatic | Renewable

With an average of 85% or more, you will automatically receive a scholarship. The average shown in the table indicates the minimum threshold to receive the amount indicated.

Average	Renewable amount (2, 4 ou 5 years)
85%	\$2,000 / year (up to \$10,000)
90%	\$3,000 / year (up to \$15,000)
95%	\$4,000 / year (up to \$20,000)

International Baccalaureate Bonus Scholarships

up to \$2,000

Automatic

Students who have completed the full IB program are awarded a bonus scholarship based on their marks. Must provide final IBO transcript.

under 30 pts	\$500
30-35 pts	\$1,000
36-39 pts	\$1,500
40 + pts	\$2,000

Roméo-LeBlanc Excellence Scholarships

Tuition fees paid in full

Automatic | Renewable

Automatically awarded to the student having achieved the highest average from all Anglophone schools in the Atlantic provinces (grade 11 and 1st semester of grade 12).

- A minimum average of 96% is required.
- This scholarship replaces the Academic distinction scholarship for the recipient.

Deadline : Must submit an application to UMoncton with transcripts by **February 28th, 2026**

Scholarships for Specific Programs

Automatic

If you meet any of the criteria below, you will automatically receive a scholarship. Consult our website for more details.

Women in engineering - **\$2,000**

Men in elementary education - **\$2,000**

CNFS scholarship for men - **\$2,000**
(limit of 5 scholarships awarded)

Scholarships in science - **\$500**
For students enrolled in an undergraduate science program (except nutrition) who have an overall average of 75% to 87.9%.

To learn about all eligibility and calculation criteria for these scholarships, application forms, as well as other available scholarships:

www.umoncton.ca/bourses

Scholarships Requiring Applications

The scholarships below have an application form that must be completed. Be sure to read the eligibility criteria carefully before completing the form.

Post-secondary Studies in French as a Second Language Scholarships (ACUFC)

\$3,000

- First official language spoken must be English.
- Graduate from an Anglophone high school.

Deadline : March 15th, 2026

Harrison McCain Scholarships

up to \$16,000

\$4,000/year, renewable up to 4 years

- Have leadership qualities
- Demonstrate financial need
- Must show efforts to finance studies

Deadline : March 1st, 2026

Paul-Henry-LeBlanc Scholarships

\$1,000

- Open to students from Atlantic Provinces
- Members or allies of the 2SLGBTQIA+ communities
- Motivation Letter

Deadline : TBD

Next Generation Access Scholarships

\$1,000

The Next Generation Scholarship is intended for graduates of New Brunswick high schools whose parents or guardians have not completed any post-secondary education.

Deadline : March 1st, 2026

City of Moncton Immersion Entrance Scholarships

up to \$2,500

- Resident of the City of Moncton
- Graduate from a Moncton Anglophone high school
- Amount awarded varies according to the number of requests
- Granted based on volunteer involvement in the community

Deadline : March 15th, 2026

Arthur L. Irving Family Foundation Scholarships

up to \$50,000

\$10,000/year, renewable up to 5 years

- Open to students from Atlantic Provinces
- Community engagement and leadership
- Academic average above 80%

- ☐ Sign up for classes beginning March 28th, 2026.
- ☐ Ask your school to send your final grade 12 official transcript in June to admission.cdem@umoncton.ca.

**Keep an eye on your inbox for all of the important emails
that you will be receiving before september!**

Visit UMoncton as a Student for a Day

Come and experience a day in the life of a UMoncton student with a personalized visit through our Student for a Day program.

You'll have the opportunity to:

- Tour the campus
- Attend a class
- Visit the facilities that interest you
- Meet the Groupe-Pont coordinator, faculty members and students.

Plus you'll get answers to your questions and experience a day that you won't soon forget.
