

The Adventures of *Ento-Man*

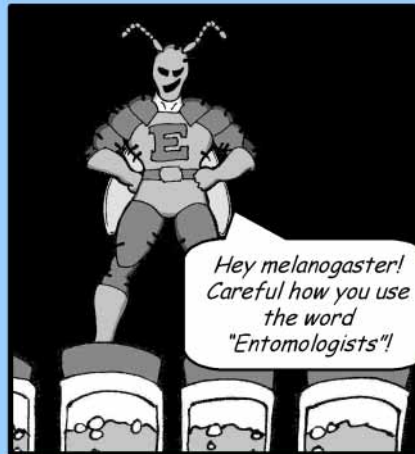

Behind the respectable facade of a multinational, conglomerate biotechnology corporation, an evil stirs...

Dr. melanogaster...
The first puparia are ready for your inspection...

My Entomologists have served me well... Soon the perfect amalgamation of fruit fly and human will be achieved and then my children will take their rightful places as CEO's and Presidents... as RULERS OF THE UNIVERSE!!!

Join us next issue when Ento-Man vanquishes *Dr. melanogaster* back to the warm, slightly putrid, fruit fly medium from whence he came.
